Workshop Platform

During the month of October and November 2014, the Higher Education Institutions and the Research Institute that are part of the project organized one workshop at their institution. The aim of this activity was to raise awareness about the benefits that the platform could bring to their users. There were a total of 8 workshops, one for each country of the partnership.

Next Partners Meeting

The next meeting will be held at the Università Degli Studi Guglielmo Marconi (USGM) in Rome, at the 4th, 5th and 6th of March 2015.

During this meeting we will evaluate the evolution about the execution of the project UC CROWD Project and make the necessary arrangements to implement the work plan for the next year. The Challenge Academy Platform is the biggest assignment for the 2nd year.
