4th Partners Meeting

The 4th Partners Meeting was took place at at the Università Degli Studi Guglielmo Marconi (USGM) in Rome, at the 4th, 5th and 6th of March 2015.

During this meeting we evaluated the evolution about the execution of the project UC CROWD Project and make the necessary arrangements to implement the work plan until the end of the project.

The [Challenge Academy](#) is the biggest assignment for the 2nd year.

AceOn Group working closely with University of Wolverhampton

[AceOn Group](#) is currently working closely with University of Wolverhampton in various projects. According to the Managing Director, Mr Mark Thompson, his collaboration with the university generates a wide range of benefits for all the parties involved. Currently, he is working in two projects together with the university: Challenge Academy Platform and The Built Environment Climate Change Innovations (BECCI) Project...
