

## UNIVERSITA' DEGLI STUDI GUGLIELMO MARCONI

### 3<sup>rd</sup> Road Show

17 June 2015

TEI “Technological Educational Institute” of Athens, Greece

A third addition Road Show was arranged at “Technological Educational Institute” of Athens (TEI) [www.teiath.gr/](http://www.teiath.gr/), Greece with the occasion of Susanna Correnti, project manager of Marconi University, visit in Athens.

With the purpose of promoting the UC-Crowd project and of encouraging university students and professors to register to the “Challenge Academy” platform, the following activities was carried out:

- ✓ the UC-Crowd project was introduced to representatives of the TEI public and International Relations department;
- ✓ the UC-Crowd project was introduced to a professor of the Faculty of technological Applications;
- ✓ project brochures were handed out to university students.
